

H Hole

Kunsthalle Mannheim, G

A satellite-style map of New Zealand and the surrounding Southern Ocean. The landmasses are shown in green and brown, while the ocean is in shades of blue. A red dot is placed in the Southern Ocean, east of the South Island, to indicate the location of the H Hole. The text 'New Zealand' is written vertically in a yellow, serif font to the left of the islands, and 'H Hole' is written vertically in the same font to the right of the red dot.
